“Dense ruby/purple to the rim, the powerful black cherry and chocolaty notes are full-bodied and the wine graceful, rich, full-bodied, opulent and irresistible.”

POWERFUL... GRACEFUL... OPULENT

- Concentration, structure, richness, acidity and balance reflect site and terroir
- A lush blend of both cool and warm climate Merlot from our estate
- Pervasive maritime breezes and long daylight exposure allow fruit to develop intense concentration
- Full of the power and character that would satisfy any Cabernet lover, yet it is an elegant, not heavy, wine
- Our Merlot blocks are hand-harvested in the cool morning hours
- 17 months in French oak, 40% new
