CABERNET SAUVIGNON

Sonoma Valley, Sonoma County

ABOUT GUN BUN

• Pronounced:    
Gun-Lock-Bun-Shoe

• Founded in 1858, we're California's oldest family-owned winery operated by the 6th generation of the Bundschu Family.

ABOUT OUR CABERNET SAUVIGNON

- It's grown mountainside in Sonoma which has the same temperature classification as Bordeaux, making it a cool climate Cab.
- On average, our Cab stays on the vine a month longer than Napa and northern Sonoma which results in a richly flavored and textured wine balanced by fine tannins and high acid.
- Invitingly lavish aromas and flavors of dark fruits and berries intermingled with espresso, cocoa, and warm baking spices are buoyed by the velvety texture and precise acidity.
- Fun tip: Show the cork to your customers!
