“Perseverance, dedication to excellence and the spirit of creativity have allowed six generations of my family to thrive despite earthquakes, Prohibition, and disco. We work on our farm, cultivating vineyards planted by my great-great-grandfather over 160 years ago. We are the Sonoma Original”

“This wine smells like minerals and honey, with a smack of pear and some apricot for good measure. This wine is awesome. The balance on the palate is ridiculous, with some grip and give from the wild and crazy acidity.”

“The 2019 Chardonnay is a solid, attractive effort offering plenty of melon and tart citrus fruits to go with a medium-bodied, spicy, mineral-laced style on the palate. It’s balanced, light on its feet, and should keep for 3-4 years.”

“Based on Merlot and Cabernet Sauvignon, the ruby/purple-hued 2019 Red Wine Sonoma County gives up a juicy, lively style reminiscent of Bordeaux with its red and black currants, tobacco leaf, and cedar aromas and flavors. With beautiful fruit, medium-bodied richness, and silky tannins, it’s an undeniably delicious red to enjoy over the coming decade or more.”

“More pure crème de cassis, tobacco, sappy herbs, and cedar notes emerge from the 2018... a medium-bodied, beautifully balanced, and elegant Cabernet. ...already drinking nicely, yet I have no doubt it will evolve for 10-12 years, if not longer.”

“This awesome, meaty Cab smells like blackberries, cloves, and spiced meat. It’s still aging and needs another year to shed some green tannin vibes, but it’s still drinking well now and calls for a stinky cheese plate or a big ol’ steak.”

“...layered, yet seamless profile...it doesn’t lack for tannin or structure, yet it’s beautifully balanced and has an awesome finish. This is an incredibly classic, old-school Cabernet Sauvignon that’s going to hit maturity around age 6-8 and cruise for two decades or more.”

“...a deep thread of ripe blackberries and plums, as well as mulberries. The oak adds plenty of sweet spice and the tannins are very well groomed ...Drink or hold.”
