

# 2023 DRY GEWÜRZTRAMINER

Sonoma Valley, Sonoma County

*HARD TO SAY, EASY TO LOVE*

## VINTAGE NOTES

2023 was an exceptional and slow vintage in producing wine throughout Sonoma. Tracking about a month behind our typical harvest time, it was one of the coolest and latest vintages we've seen on Rhinefarm in recent history. We continued picking grapes into November. With plenty of winter rains and cooler temperatures in spring and summer, our soil was nourished and canopies grew heavily and abundantly. The grapes developed gradually and enjoyed extra ripening time. The consistently cool climate created complex, balanced and elegant wines, distinctly highlighting our terroir. 2023 marked our first harvest on our officially Regenerative Organic Certified® vineyards.

## VINEYARD INFORMATION

Sourced from our Regenerative Organic Certified® Rhinefarm Estate which the Bundschu family has been farming for over 165 years. It is located on the southwestern slopes of the Mayacamas Mountains, just eight miles north of San Pablo Bay. The terrain below 150-foot elevation features gently sloping Huichica clay loam soils with gravel deposits and cooler growing conditions that deliver minerality and focused acidity. Eleven acres of Heritage Selection vines, planted in 1969, were harvested in two lots and bring spice and floral notes. Nine acres of clone 47 vines, planted in 2008, were harvested in three lots and provide fresh fruit flavors.

## TASTING NOTES

On the nose, we're greeted with aromas of orange blossom. First, savor the vibrant citrus notes of grapefruit, and yuzu. Then, a subtle warmth of nutmeg complements the tropical medley of papaya, pineapple guava, and a hint of tangy tamarind. Ideal pairing? Try it with tuna poke.
